

# Notice from your English Hills Homeowners Association

## Let's bring Natural Gas to English Hills!

The English Hills Homeowner's Association would like to bring Natural Gas service to our community, and we need your help. Please complete the PSNC Survey, and return it to them at the address below. Your timeliness is essential in our efforts to bring this great service to your home. This is an unusual opportunity for all of us – let's make it happen.

**Please complete the survey,  
and send it to PSNC right away!**

*English Hills  
Hendersonville, North Carolina*

**PSNC Energy is conducting a survey to determine how many homeowners would be interested in using Natural Gas if it were made available in English Hills.**

### Special Message from PSNC Energy

If you are interested in using natural gas, it is important that you contact me or return this form soon.

This project is currently under feasibility consideration.

Thank you for considering natural gas as your preferred energy source.
